The Federal Reserve System is no more
“Federal” than Federal Express!!

The FED was created in 1913 by an abominable act of Congress. With a swift stroke of the pen, President Woodrow Wilson doomed the fate of generations. And enslaved the American citizens to a life of servitude, to an elite group of international bankers.

The FED is in fact a private banking cartel, was created by some of the most prominent bankers of the day. Including J.P. Morgan, Rothschild Banks of London and Berlin, Lazard Brothers Bank of Paris, Israel Moses Sieff Banks of Italy, Warburg Bank of Hamburg, Germany and Amsterdam, Kuhn Loeb Bank of New York, Lehman Brothers Bank of New York, Goldman Sachs Bank of New York, Chase Manhattan Bank of New York (Controlled By the Rockefeller).

"I am a most unhappy man. I have unwittingly ruined my country. A great industrial nation is controlled by its system of credit. Our system of credit is privately concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men We have come to be one of the worst ruled, one of the most completely controlled and dominated, governments in the civilized world—no longer a government by free opinion, no longer a government by conviction and the vote of the majority, but a government by the opinion and the duress of small groups of dominant men."

- Woodrow Wilson, reflecting on passage of the Federal Reserve Act

"If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks...will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered... The issuing power should be taken from the banks and restored to the people, to whom it properly belongs."
President, Thomas Jefferson

In 1921 the same cast of CRIMINALS gave us another non-governmental organization, The Council on Foreign Relations, also known as the CFR. The CFR has run our federal government since its inception. Its aims are clear, and with an ever accelerating rate of success they are only a few months or few years from achieving their goal...

Maybe they already have?

"The main purpose of the Council on Foreign Relations is promoting the disarmament of U.S. sovereignty and national independence and submergence into an all powerful, one world government." - Admiral Chester Ward - Judge Advocate General of the U.S. Navy
